

Wycombe Friends of the Earth Meeting 04/07/18 at 7.30pm

Present: 10

Apologies: 5

1) Plastics. Following a visit from FotE a list has been put together of possible actions. Exercise in individually prioritising actions which will be analysed.

2) Air Quality: We have achieved 2 letters in BFP in recent weeks.

Clean Air Day: A letter will be sent to BFP re air quality in relation to road changes and the recent consultation process.

Wycombe Environment Centre is involved in air quality and FotE have offered to work jointly with them on this.

Action: Two members to offer to meet them to find out if they can work together.

3) Car Free Day September 22<sup>nd</sup>. FotE to plan publicity and action for this nearer the time.

4) Pann Mill 16th Sept. It was decided to book it.

5) Discussion about position of deputy co-ordinator, group to consider this and discuss again at next meeting, the post is open to anyone who might be interested.

6) Discussion re Gomm Valley development plans, both the pros and cons. To keep up to date with developments.

Date of next meeting 1st August
