7. Campaigning around COP26
8. Bucks Council Community Boards
9. Coming Events
10. AOB

Suggested ecotip (other suggestions welcome by email or at the meeting):

## **Bee Squared - helping the pollinators**

Join the **Bee Squared** project and make sure you have sown your square metre or pot of wildflower seeds, available free from various points in High Wycombe and Hazlemere. If you have managed to obtain some and they are in the ground, don't forget to log your patch on the map - instructions on your seed packet.

But don't worry - if you haven't managed to obtain your free packet of seeds you can still help the pollinators and other insects by not mowing a patch of your lawn and celebrating any grass verges that are not mown. Watch the wildflowers and insects appear.
