Suggested Ecotips: (other alternatives invited by email or at the meeting)

Eco-friendly mince pies. According to Ethical Consumer magazine, the most climate conscious mince pies are supplied by Co-op, M&S and Mr Kipling, in that order. The ones to avoid are from Iceland, Aldi, Tesco and ASDA. Other supermarkets are about average.

Eco-friendly Christmas. As you prepare for Christmas, consider these online retailers for a more eco option (also sourced from Ethical consumer). Best are <https://veo.world/> and <https://onlineshop.oxfam.org.uk/>

You can also find local Oxfam shops <https://www.oxfam.org.uk/shops/>.

The one in Wycombe closed down but there is one in Marlow and Beaconsfield.
