11. WEP/WEC activities
12. AOB

Suggested Ecotip (more suggestions welcome by email or at the meeting)

Travel

Summer is coming and you might be planning a trip abroad. Consider a train trip to Europe. For example, Eurostar to Paris or Amsterdam, and then take a sleeper train and wake up in Toulouse, Berlin, Vienna, Venice etc. Flying is the most polluting way to travel, especially short-haul flights, and is about 10x worse than the train.
