Suggested Ecotip (more suggestions welcome by email or at the meeting)

September is a good time to plant bulbs for next Spring. Check that they are good for pollinators as early spring flowers support pollinating insects.

If you have spare crops, don't forget that Wycombe Food Hub will be happy to receive any surplus.

There are great Pride of Place activities throughout September. Free or minimal cost, donations welcome. <https://www.refreshwycombe.org/pride-of-place>
