The Refresh Store in High Wycombe has just moved!

Refresh The Marketplace is a wonderful scrap store now based in Church Street, right here in the heart of High Wycombe. Our aim is to encourage you to Reduce, Reuse, Recycle and Create. We have a huge selection of surplus and unwanted stock all donated by local businesses and individuals.

You may be a crafter, a teacher, an artist or a maker. We have fantastic fabrics, textiles, haberdashery items, cards, papers, foils, and shelves full of materials just waiting for you to give them a second life and use them on your next project.
